us

In 2020, **BUDAX PLASTİK SAN. VE TİC. LTD. ŞTİ.** was established in Istanbul in order to meet the demands of our valued customers in the furniture accessories sector, to develop and to offer quality at affordable prices by adopting an economical price policy and to contribute to the modernization of our furniture accessories sector by following the latest innovations in technology. With the brand “Budax”, it aims to show a steady growth with its professionalism, creativity, honesty and market development features.

The company management, which closely follows the developments in the sector and new demands in the market, aims to be one of the leading companies in the sector with its strong administrative and financial accumulation. In every region of Turkey; we set out with a pioneering and exemplary, high quality, and innovative step.

Budax family adopts as its basic policy to use modern management techniques in all its works, to complete its projects on time by preferring materials and workmanship that have proven themselves in the market and whose quality is proven.
